

July 17

Dear Mr. and Mrs. [unclear],

Let me be explicit in my
thanks for the [unclear] I just
think [unclear] [unclear] to go
for the [unclear] but of course it
was too late to get any [unclear]
[unclear] for a place on the [unclear]
[unclear] we came here and today
[unclear] with the Cape [unclear] it
was too windy to spend much
time on the [unclear] but we
did [unclear] the [unclear] [unclear]
[unclear] at [unclear] [unclear] The
[unclear] is quite [unclear] as it
was very hot [unclear] in
and get out [unclear], it was
about 90° so it was quite
comfortable for a [unclear] now
it has been very hot and humid
but we are somewhat [unclear]
to it.

My work is pretty interesting
as I work really hard getting
up early & am pretty much on
my own and am developing the
principles of order and discipline
It is new to me, but that is
what makes it enjoyable
Also this field is attracting a
lot of study, so that I will
have a good background if I
want to change jobs sometime
in the future

Two weeks ago Dad was
released from the hospital &
called Howard and then also
talked to Dad. It is quite a
miracle since just after we
left the doctor gave him two
weeks to live. A group of 23
doctors were assembled to discuss
his case and they decided to
try a new chemical which was

applicable to the particular type
of loan. With the growth
loan arrested and there is a
good chance that it will be
permanently held in check.

If it is all right with
you, we will hold onto
your loan until ~~the~~ ^{the} bank
then pay back everything when
we can withdraw the
money from the bank. We
have now bought a couch
a picture table (dining room
table), bedroom furniture, etc.
At ~~advertising~~ ^{advertising} we will get our
income from the ~~new~~ ^{new} bank
~~from~~

Well, I hope you will allow
this letter to Mary and Paul
as I just don't have time to
~~see~~ write everyone just now
fly
